Tools/Techniken

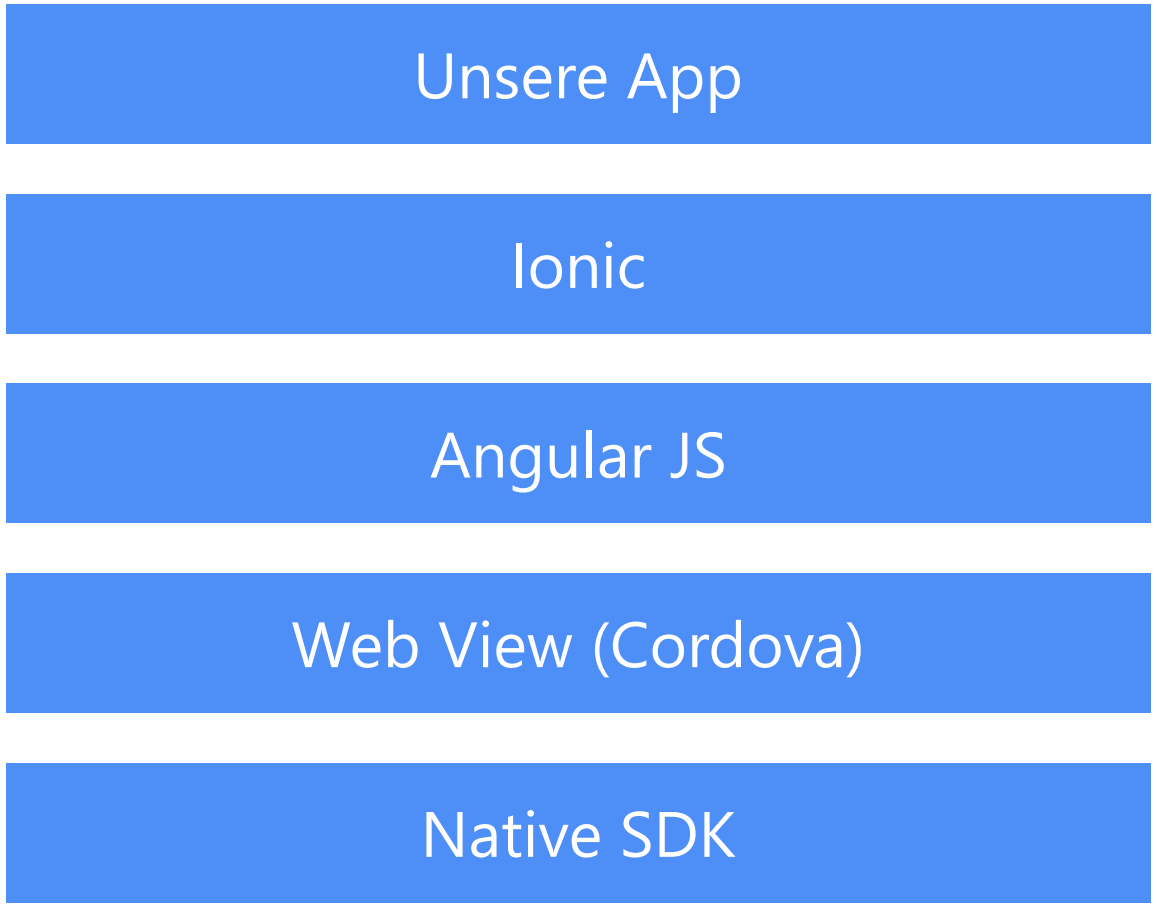
Tools/Techniken

NodeJS / NPM

Cordova

Ionic SDK

Tools/Techniken



Warum Ionic?

Hybrid

- Kosten
- Zeit
- Ionic Services

Native

- Kosten
- Zeit
- Ionic Services

Downsides of Native

„Our biggest mistake was betting too much on HTML5“

- Multi-Million-Dollar Unternehmen
- Business ist abhängig von der App
- Viele native Entwickler?
- Game-Development?

Do native!
